

Remarks

Claims 13-21 are in this application. All of the claims stand rejected under 35 U.S.C. §112, first and second paragraphs. The Examiner, in the Final Rejection mailed on March 11, 2003, suggested certain amendments that would place the application in condition for allowance. Applicants have amended the claims as suggested by the Examiner and respectfully request allowance of the instant application.

Respectfully submitted,

William R. Majarian
